

TEAM DRIVER SPONSORSHIP

JQRACING

AGAINST THE ODDS

"JQRacing is committed to providing team drivers with the support they need to achieve their goals"
- Joseph Quagraine, Team Owner

DO YOU WANT TO BE ON THE TEAM?

JQRacing designs and produces 1/8th scale buggies with one goal in mind - Creating fantastic products for awesome racing experiences.

We take our job and our responsibility to our Team Drivers very seriously.

However there is a price to pay - While you complete the Team Driver Application the question you should be asking yourself ISN'T "What can JQRacing do for me?" BUT "What can I do for JQRacing?" BECAUSE the more you give to JQRacing the more JQRacing will give you.

CAN YOU HANDLE IT?

If you feel like you have what it takes please fill in the JQRacing Team Driver Sponsorship Application Form at the end of this document.

MAKE US NOTICE YOU!

It goes without saying that being a skillfull driver, winning at club, international or world level is extremely important to JQRacing, BUT it is not the only important quality and we can't all be the best all the time.

"We do what we want, so should you" has been a JQ philosophy from the beginning. So what do you want to do? If the answer is drive for JQRacing then differentiate yourself.

JQRacing values a range of skills and characteristics. Passion, potential, dedication, honesty, loyalty, generosity, imagination, individuality, sense of humour ... let us know what you've got, tell us about yourself.

TO BE COMPLETELY CLEAR

"If you contribute to the success of JQRacing, we will contribute to your success."

- Ilias Arkoudaris Team Manager, JQRacing

Thank you for your interest in joining our team, we are looking forward to hearing from you.
